From our TOP real estate offer, we would like to single out attractive plots of 1.338 m² and 2.923 m² first row to the sea, near the newly built Veljko Barbieri ACI Marina in Slano - only 30 km from Dubrovnik. The two plots are situated next to each other, with only a promenade between them and the sea. They can be purchased together to obtain a comfortable 4.261 m² for building a residential building, hotel or aparthotel. See the offer details and consider this serious investment opportunity in the Dubrovnik Riviera!
