From our TOP real estate offer, we would like to single out attractive plots of 1.338 m2 and 2.923 m2 first row to the sea, near the newly built Veljko Barbieri ACI Marina in Slano - only 30 km from Dubrovnik. The two plots are situated next to each other, with only a promenade between them and the sea. They can be purchased together to obtain a comfortable 4.261 m2 for building a residential building, hotel or aparthotel.
