2.5 km from the center of Višnjan, where there are shops, restaurants and other facilities. The distance to the highway is only 2 km, and to the nearby airports in the area as follows: Pula 60 km, Trieste 110 km, Venezia 220 km, Ljubljana 150 km and Zagreb 250 km.

The construction of the facility started in September 2018, and was fully completed in May 2021.

The environment is completely landscaped with a lawn, planted trees and ornamental plants, and Rain Bird automatic irrigation was also installed.

The pool is overflowing and is tiled with ceramics. Next to the pool, there is an underground engine room required by law for automatic water chlorination and filtration. The pool has a built-in 250 cm waterfall along the side that is activated from the living room.
